

Gay Leadership Recognized

NGLTF honors Julian Bond, Bob Cole, TWN

November, 2006

The National Gay and Lesbian Task Force honors Julian Bond, Bob Cole and The Weekly News (TWN) at its 10th Annual Miami Recognition Dinner this month at the Loews Miami Beach Hotel.

The event recognizes outstanding contributions to the social, cultural, political and humanitarian needs of the lesbian, gay, bisexual and transgender community.

Bond, national chairman of the NAACP, receives the 2006 National Leadership Award; local activist Cole receives the 2006 Miami Herald Humanitarian Award; the 2006 Community Service Award goes to TWN, which began publishing in 1977 as a vehicle for uniting the community in the wake of the campaign to repeal Miami-Dade's new gay rights ordinance, and ceased publication earlier this year.

Proceeds from the Recognition Dinner will be distributed to Miami-Dade LGBT organizations through the Dade Community Foundation.
