According to Rea Carey, acting executive director of the National Gay and Lesbian Task Force Action Fund, Task Force Action Fund Public Policy and Government Affairs Director, Dave Noble, was chosen by Obama's campaign to secure the Lesbian, Gay, Bi-Sexual, and Transgender vote on behalf of U.S. Senator Barack Obama's campaign for President.

"The Obama campaign has just inherited one of our movement's most talented activists to engage LGBT Americans in this crucial moment in our history. Dave Noble has been a guiding force for our efforts in Maryland, and while we'll miss him terribly, we know this is an investment in our shared future," said Dan Furmansky, executive director of Equality Maryland.

"Dave has long believed in the importance of public service and his entire career has reflected this value. Being asked to serve his country in this capacity — a key position in a campaign of a candidate he strongly believes in — is a perfect fit for him. This is a momentous time for this country, and we are proud that a senior Task Force staffer has been chosen to fill such a critical role in this historic campaign season. Dave has been a strong leader at the Task Force and we will look forward to working with him in any capacity in the years to come," noted Carey.
