

## Beat the Marriage Ban Town Hall

Monday, July 21, 2008

By Robert Kalonian, West Hollywood

West Hollywood, California (Monday, July 21, 2008) - The past months have seen numerous major advances in the GLBT community's struggle for full civil rights.

The California State Supreme Court recognized the fundamental freedom of LGBT Californians to marry in their ruling, but we must now fight to preserve marriage equality.

Special interests have successfully placed Prop 8 on the state ballot this November, a proposed amendment to the California State Constitution that would legally limit recognized marriages to those between a man and a woman.

We must now organize, rally our friends, family and neighbors to the cause and Beat the Marriage Ban this November.

To kick off our campaign to protect marriage equality and keep institutional discrimination out of our State Constitution, I would like to invite you to a town hall meeting where we will discuss strategy and what we can all do to get involved.

I am proud to be joined by Beverly Hills Mayor Barry Brucker and Los Angeles City Council President Pro-Tem Wendy Greuel, as well as **Statewide Campaign Field Director for Equality for All/No on Prop 8 Sarah Reece**.

This event is hosted by the West Hollywood Democratic Club and the Beverly Hills Democrats, and is generously hosted by the Pacific Design Center.

We will start the program at 7:00 pm in the PDC Blue Conference Center, located at 700 North San Vicente Boulevard.
